

ANNOUNCEMENT

INTEREST RATES, FEES AND CHARGES OF THE OTP PRIVATE BANKING SERVICE

Published on: 18 November 2025.

Effective from: 18 November 2025.

The amendment of the Announcement was justified by the discontinuation of the retail OTPdirekt internet service and the OTPdirekt Broker service, as well as by the inclusion of Private Banking fees related to OTP Digital Services in the document titled 'Announcement on OTP Bank Digital Services for Retail Clients.

The changes are shown in italics in the text on a *grey background*.

Simultaneously with the entry into force of this Announcement, the Announcement on the applicable interest rates, costs and fees of the OTP Private Banking Service published and effective on 15 October 2025 shall be repealed.

In case of interest rates, fees, charges and other provisions (including the rules for the unilateral and automatic modification of the interest rates, fees and charges by the Bank) not covered by this OTP Private Banking Announcement, the provisions of the business regulations and announcements (Product Contracts) of the respective business branch shall prevail.

The authentic text of this document can be found in the Hungarian version; this English translation is only for information purposes. In case any difference between the Hungarian and the English text the Hungarian version prevails. All liability is excluded for acts or omissions taken in reliance upon the contents of the English version. The English version has not been approved by the Hungarian Financial Supervisory Authority.

The references are listed on the last page of this Announcement. The minimum and maximum values of the fees are indicated in the following form: (min. / max.).

A. LIMITS FOR USING THE OTP PRIVATE BANKING SERVICE PACKAGES¹

ENTRY LIMITS FOR THE OTP PRIVATE BANKING SERVICE PACKAGES	Basic Limit	Entry Limit
Digital Private Bank Service Package	20 million HUF	20 million HUF
Private Bank Service Package	80 million HUF	100 million HUF
Prestige Private Bank Service Package	240 million HUF	300 million HUF

- A.1. The basic condition for using the OTP Private Banking Service (hereinafter: **Basic Limit**) is that the Client must have the savings specified in the Basic Limit column of the table in section A.
- A.2. To be eligible for the OTP Private Banking Service Packages (hereinafter referred to as the "Entry Limit"), the Client must have the savings specified in the Entry Limit column of the table in section A.
- A.3. OTP Private Banking Clients with savings under the OTP Private Banking Service Basic Limit (savings of at least 20 million HUF) are not eligible for the discounts set out in this Announcement.
- A.4. The Digital Private Banking Service Package is only available to those OTP Private Banking Clients with an existing Private Banking / Prestige Private Banking Service Package, who have been offered the Digital Private Banking Service Package by OTP Private Banking in a personalized offer.

The methodology and period for calculating the Basic and Entry Limit assessments:

- A.5. When entering into a contract for any of the OTP Private Banking Service Packages, until the last day of the 3rd month following the signing of the contract (hereinafter: **Grace Period**), OTP Private Banking will charge the monthly fee to which the Clients who meet the Entry Limit of the given Service Package are entitled.
- A.6. The assets included in the limit evaluation and the methodology of the calculation are as follows: The sum of the month-end closing balance of the savings (at sight and tied-up balances, securities accounts, foreign currency accounts, Long-Term Investment Account, Retirement Savings Account, the total of all savings account balances) of the Client or, in the case of joint accounts, of all Clients, deposited in their accounts with OTP Bank, exceeded the Entry Limit of the respective Service Package in 2 of the 3 months preceding the monthly assessment.
- A.7. Valuation is calculated at portfolio prices for securities and at the daily National Bank of Hungary (hereinafter: MNB) mean rate in case of foreign currency investments. The methodology for calculating the portfolio price is set out in the "Supplementary Announcement, General information about the trading of securities".
- A.8. Every month for each Client, the Bank will assess whether the Client has met the OTP Private Banking Basic Limit in the given month, whether the Client has reached the Entry Limits for the respective Service Packages, and whether the Client has a Portfolio Management Contract or a Corporate Gold Service Contract or OTP Private Banking Corporate Gold contract or OTP Private Banking Employment contract or OTP Private Banking Strategic contract or Family Package contract. OTP Private Banking charges the Service Package fees based on the results of the monthly assessment.
- A.9. The due date and the value date for charging the monthly fee for the OTP Private Banking Service Packages is the same as the date set out in the provisions for the settlement of the monthly closing fee for a Retail Tempo account.²³ The OTP Private Banking Service Package fee is charged on a pro rata basis by the Bank. If the contract had been concluded/modified/terminated between two closing dates, then prior to the change the terms and conditions (account management fee, charges) of the service package in force on the day of change shall be taken into account, and after the change the terms and conditions of the new service package shall be taken into account for closing the month.

C.6. Rate+ discounted account package element: details of the Rate+ discounted account package element available for Private Banking Service Packages are set out in the "Notice on Rate+ discounted account package element".

C.7. Discounts related to free of charge cash withdrawals: As a promotional offer, from 7 January 2016 until withdrawn, the Bank offers the following discounts on the fees for OTP ATM cash withdrawals for OTP Private Banking Clients in addition to the discounts set out in the Announcement titled "Free of charge cash withdrawals provided under Section 36/A of Act LXXXV of 2009 on the Pursuit of the Business of Payment Services" (hereinafter: "CW announcement").

If the Client specifies the HUF payment account of OTP Private Banking in their declaration pursuant to Article 36/A of Act LXXXV of 2009, in a given calendar month the Bank will not only provide the first two cash withdrawals from any domestic forint ATM free of charge up to 150 000 HUF, as specified in the CW announcement, but our Client may make any number of cash withdrawals free of charge up to a maximum total amount of 300,000 HUF. The fee waiver is valid for cash withdrawals between HUF 150 000 and HUF 300 000 from OTP ATMs in HUF

Pursuant to Article 36/A of Act LXXXV of 2009 on the Pursuit of the Business of Payment Services, if the cash withdrawals from an OTP Private Banking HUF account specified in the declaration by the Client are made partly or wholly debited to a negative balance (overdraft facility), the Bank shall provide the Client with free of charge cash withdrawals up to the amount of the employment income, social benefits and scholarships received on the account in the given month, maximum up to 300,000 HUF.

Based on its records as of the 20th of each month, the Bank checks which OTP Private Banking HUF bank accounts are eligible for free of charge cash withdrawals. Free of charge cash withdrawals under the terms of this promotion are available from the first day of the month following the assessment and must also meet the conditions set out in the CW announcement.

C.8. Discounts on applying for a housing or mortgage loan²⁸: The Client is entitled to a discount on prepayment and final repayment fees in accordance with the current "Interest rates, fees, commissions and charges of suspended products of HUF Housing Loans provided by OTP Bank and OTP Mortgage Bank", "Interest rates, fees, commissions and charges of HUF OTP Housing Loans", and "Interest rates, fees and charges of mortgage loans with real estate collateral".

C.9. Discounts available when applying for a Lombard loan²: OTP Private Banking Clients, who apply for a Lombard loan, regardless of the Client's assets and the loan amount, receive a 50 bp discount on the interest from the interest rates for the loans included in the "Announcement on the lending fee, fees and charges of Lombard Loans".

On a case-by-case basis, a maximum 100% discount may be granted on the disbursement fee when applying for a Lombard loan, settled with subsequent crediting. The Bank will decide on the disbursement fee discount based on the amount of the loan, the classification of the Client and the assessment of the collateral.

In addition to the above, OTP Private Banking Clients may be granted an additional interest rate discount of 0-400 basis points from the standard interest rate until the end of the term. The Bank decides on the interest rate discount on an individual basis, based on the classification of the Client, the amount of the loan and the valuation of the collateral.

¹ The promotional offer is valid from 01 July 2025 until 31 December 2025 or until withdrawn. The Bank reserves the right to adjust the amount of the fee in line with the inflation rate changes of the Hungarian Central Statistical Office (HCSO). (Over the past years, the HCSO has published the relevant inflation data in the first quarter of each year).

² The specific discount is available from 14 August 2017 for PB and PPB Packages and from 30 March 2020 for DPB Packages, until 31 December 2025 or until withdrawal.

³ The conditions and charges for bank cards associated with retail current accounts not covered by this announcement, and the conditions and rates applied to Clients who do not meet the OTP Private Banking Basic limit, are the same as those set out in the OTP Bank Plc announcements about "Mastercard Private Banking Limited Edition bank cards" and "Retail HUF bank cards". For the items shown in the table, the Bank offers the discount or fee waiver as a promotional offer valid from 01 March 2025 until 31 December 2025 or until withdrawn. For the Mastercard Private Banking Limited Edition card, the Bank will charge the annual fee for the card subsequently on the accounting date in the month following the card's expiry date or at the day of termination.

⁴ The terms and conditions of the travel insurance - provided by Groupama Biztosító Zrt. - for the Mastercard Private Banking Limited Edition card are set out in the forms titled "Supplement to the Debit Card Terms and Conditions about the Travel Guarantee Insurance for MasterCard Private Banking Limited Edition and Mastercard Prestige Private Banking Limited Edition cards" and "Information about Data and Complaints Handling for Travel Guarantee Insurance incorporated into bank cards", which are available in the OTP branches and on the OTP Bank website.

⁵ The conditions and charges for VISA Infinite credit cards not covered by this announcement, and the conditions and rates applied to Clients who do not meet the OTP Private Banking Basic limit, are the same as those set out in the OTP Bank Plc announcement titled "Announcement about the VISA Infinite credit card product". The Bank will check whether the OTP Private Banking Basic limit has been met based on the EPJ at the end of the month in which the credit card is ordered, and the discount will be credited subsequently in the month following the month in which the credit card is ordered.

~~⁶ The conditions and charges not covered by this announcement about the OTPdirekt service, and the conditions and rates applied to Clients who do not meet the OTP Private Banking Basic limit, are the same as those set out in the OTP Bank Plc announcement titled "Announcement on OTPdirekt Services Provided to Retail Clients". The conditions for the functions available under the OTP Digital Services are governed by the provisions of the Business Regulations of the OTP Bank Digital Services Contract and the Announcement about the OTP Bank Digital Services. From 1 March 2022, the SmartBank service will only be available to register for the Digital Service Contract and to use the functions available without a registration. For the items shown in the table, the discounts and exemptions are provided by the Bank as promotional offer valid from 01 March 2025 until 31 December 2025 or until withdrawn.~~

~~⁷ The charges for OTPdirekt messages sent to foreign mobile numbers are set out in the current OTPdirekt Terms and Conditions for Residential Clients.~~

⁸ For the items shown in the table, the Bank offers the discount or fee waiver as a promotional offer valid from 01 March 2025 until 31 December 2025 or until withdrawn.

⁹ HUF and foreign currency savings accounts are governed by the provisions of the Announcement about the interest rates and charges of Residential HUF and foreign currency savings accounts.

¹⁰ Pursuant to Act CXVI of 2012, transfers between own accounts shall mean the intra bank transfers, where the owners of the account initiating the transfer and the owners of the account receiving the transfer are at least partially the same. This also includes transfers between the Client's own retail bank account and own corporate account. A transfer to a credit account, other than a retail credit card account, is not deemed as a transfer between own accounts.

¹¹ In case of transfers to the Client's Merkantil Bank Zrt. MOBIL Deposit Account and OTP Lakástakarék Zrt. Housing Savings Account, the fees for intra bank transfers between non own accounts will be applied.

¹² A transfer initiated by electronic means is a transfer initiated via the OTPdirekt ~~Internet or~~ telephone banking service, OTP InternetBank and OTP MobilBank available within the OTP Digital Services, SmartBank service for retail payment accounts included in the OTPdirekt account range of the commercial bank contract, ~~card acceptance service~~ and payment initiation service provider. ~~The SmartBank can only be used to initiate intra bank HUF transfers or HUF transfers outside the domestic bank. From 1 March 2022, Clients with an OTPdirekt Retail contract may only use the SmartBank service to register for the Digital Service Contract and to use the functions available without a registration. For retail payment accounts included in the commercial banking OTPdirekt contract, the fees for the transactions initiated via the SmartBank service shall remain the same as the fees of the OTPdirekt online service.~~ The OTP InternetBank and OTP MobilBank services are available with the OTP Digital Services. The conditions for the use and the range of functions available under the Digital Services are governed by the provisions of the Business Regulations of the OTP Bank Digital Services Contract and the Announcement about the OTP Bank Digital Services. ~~For donations made through the OTP InternetBank and OTP MobilBank services, the transfer fee is temporarily waived as part of a promotional offer. Additionally, transfers related to the donation service do not reduce the monthly limit of free or discounted transfers provided by preferential account packages.~~

REFERENCES

For retail payment accounts included in the scope of a commercial banking OTPdirekt agreement, transactions initiated via the SmartBank service continue to be subject to the same fees as those applicable to the OTPdirekt internet service.

¹³ Deleted

¹⁴ Orders in EUR to a bank account held at a SEPA member bank, containing the IBAN of the beneficiary, the SWIFT BIC of the beneficiary's bank, without any indication of undertaking the foreign bank charges. If the beneficiary's bank is not available in SEPA, the transaction will be executed as a standard credit transfer, subject to the standard charges.

¹⁵ Deleted

¹⁶ The costs and commissions shown will be charged in the currency of the invoice.

¹⁷ For the items shown in the table, the Bank offers the discount offer valid from 01 March 2025 until 31 December 2025 or until withdrawn.

¹⁸ The package fee is charged subsequently, until 30 January of the year following the calendar year, based on the number of months in which it incurred.

¹⁹ The conditions and charges of the applied exchange rate not regulated in this announcement are the same as the standard retail charges set out in the OTP Bank Plc. announcement

²⁰ The Bank provides these conditions as a promotional offer valid from 1 July 2025 until 31 December 2025 or until withdrawn. After the promotional period, the standard conditions and rates set out by Airport Service Budapest Zrt. will apply to the SkyCourt Lounge entry fees and charges.

²¹ The execution time of the transactions initiated during business hours is set out in the payment regulations.

²² The dates given in this announcement are to be interpreted according to Budapest Time.

²³ Monthly closing day: the Friday between the 20th and 26th of each month. If this falls on a public holiday, the last business day before the public holiday shall be the monthly closing day, if the Saturday following a Friday is a bank working day, then the Saturday is the monthly closing day.

²⁴ Pursuant to Article 36/E of Act LXXXV of 2009 on the Provision of Payment Services (Pft.), the Bank shall not charge a fee for the execution of an immediate transfer order initiated by means of the unified data entry solution or a payment request within the scope of this provision.

²⁵ The monthly fee promotion will run from 1 March 2025 until 31 December 2025 or until it is withdrawn. Information on the conditions for taking advantage of the promotion is available from your Private Banking advisor.

²⁶ Cut-off time: the cut-off time within a bank business day, transaction registered until the cut-off time during the bank business day are considered same day orders for settlement purposes. In case of same day orders, OTP Bank Plc shall attempt to execute the order on the day of its registration. OTP Bank Plc. indicates the cut-off time information applicable to specific markets and financial instruments on its website. The cut-off time may differ from the business hours.

²⁷ The Customer is entitled to enter into a contract addendum to the discount if the Bank offers it to him. The Bank shall decide whether to offer the contract addendum on an individual basis, otherwise the Customer may not initiate the conclusion of the supplement.

²⁸ Deleted

²⁹ The certificate is free of charge for retail HUF and foreign currency payment accounts. OTP Bank is entitled to charge a service fee for any activity in response to a customer request that does not fall within the scope of the normal course of business - performance of a contract - or the duty to provide information free of charge under data protection legislation, and which involves additional work or search for the branch (e.g. The amount of the fee is set out in the current version of the "Notice on interest rates and fees for retail payment accounts (bank accounts)").

³⁰ The VideoBank expert service is available as part of the Private Banking Service Package.

³¹ After 16:00 (until 17:00), business partners with a Private Banking Service Package can also be served by our Digital Private Banking advisors.

³² Working days from 9:00 a.m. to 5:00 p.m

³³ The service is available for contract supplement concluded after 1 January 2024.

³⁴ When using the employee discount, the customer is entitled to a group direct debit, employee debit and a transfer transaction discount. The details and conditions of the discount are set out in the "Announcement on the OTP Employee Offer".

³⁵ If the Client already has an OTPdirekt phone banking agreement and the associated 7-digit secret code, this code may also be used for identification purposes when giving instructions by phone under the OTP Private Banking relationship. Otherwise, the Advisor shall arrange for the generation of a 7-digit identifier, which will be handed over to the Client in a PIN

envelope ensuring confidential handling. This identification method can be applied when the communication takes place via landline telephone numbers belonging to the recorded line of OTP Private Banking.

REFERENCES

³⁶ The identification code provided by the Bank to the Client will be sent to the telephone number specified by the Client for contact purposes during the conclusion of the OTP Private Banking Contract. The Client is required to read out this code during the phone call for verification by the Bank.

³⁷ Daily Portfolio Statement: An informative report containing data on certain holdings and loans recorded on the Client's accounts as of the date indicated in the Daily Portfolio Statement (DPS). The DPS does not contain comprehensive data (e.g., percentage yield, monthly portfolio changes, or blocked items are not shown) and is prepared solely for informational purposes. The information provided therein (especially data on the market value of investments and outstanding loan balances) may differ from the data shown in account statements issued by the Bank, loan-related notifications, or other legally required communications, and in all cases, the latter shall prevail in the legal relationship between the Bank and the Client.

³⁸ The regular delivery of the Uniform Portfolio Report shall be carried out in accordance with the provisions set out in the Communication Services section of the Contract, and any modification thereof may only be made by amending the Contract.

³⁹ In case of inquiries made via the OTP Private Banking website.
